

# INTERNATIONAL BASIC MICROSURGERY COURSE

13<sup>th</sup>-17<sup>th</sup> OCTOBER 2025

İSTANBUL

[www.tsrsmcourse.org](http://www.tsrsmcourse.org)

WITH MORE THAN  
65 COURSES  
1000+  
ATTENDEES

This basic microsurgery course is designed to help participants develop practical skills in both experimental and clinical microsurgery. Over the span of 40 hours, attendees will gain essential microsurgical techniques required for performing nerve repairs and vascular anastomoses. The course is ideal for surgeons with little or no prior experience in microsurgery, as well as for senior surgeons looking to refresh and update their skills.

**COURSE FEE: 2000 €**
